410 WOOD-X™ STAINLESS

410 STAINLESS
MIAMI-DADE COUNTY LISTED
LCF #19-0221-03

Lakeside Construction Fasteners offer a full line of innovative long-life fasteners for post frame, modular, and residential markets. The **410 STAINLESS WOOD-X™** is designed for all types of metal roofs and sidewall applications. The H-LOW thread design on the **410 STAINLESS WOOD-X™** anchors the metal panel to the wood structure gaining maximum HOLD power! Great solution with COR-TEN steel panels or where a low cost long-life alternative solution is required for extended warranties, higher ductility in high wind areas, and increased fastener life cycle.

410 STAINLESS WOOD-X™ SYSTEM

- **High Ductility Performance!**
- **T-17 Cut Point for Quick Metal Panel Penetration!**
- **Black long-life coating to identify as 410 Stainless on the Jobsite!**
- **410 STAINLESS WOODX usable with Earth Magnetic Nutsetters!**
- **Instock: 10 x 2.0" & 10 x 2.5" (with and without washers)!**
