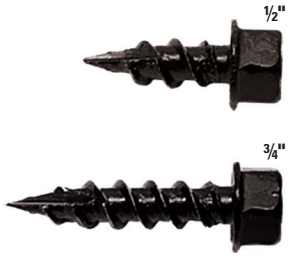
#8 Z-STITCH™

Lakeside Construction Fasteners offer a full line of innovative wood fasteners for post frame, gutter, HVAC, & residential applications. The **#8 Z-STITCH™** is designed for all types of stitching applications from metal panels to gutter strapping. The engineered **#8 Z-STITCH™** coarse threads along with the sharp cut point allows the fastener to quickly penetrate metal for easier fastener installation!

#8 Z-STITCH™ SYSTEM:



- **T17 Cut point developed for High Performance!**
- **Innovative L3 Dura Protec coating to prevent Red Rust!**
- **True 1/4 HWH for Positive Drive Engagement!**
- **Thread under head of fastener for Maximum Stitching Power!**
- **½" Painted 30 Color Options!**
- **¾" Painted Black Only!**
